- National Association for Campus Activities Mid-America and West Conference

Hope's Voice Executive Director Todd Murray and speaker Shelton Jackson attended the National Association for Campus Activities Mid-America Conference in Peoria, IL and West Conference in Reno, NV this past week. The conference brought together over 200 schools from the regions. Students were thrilled to learn about the Hope's Voice program and Does HIV Look Like Me? Campaign! - What if Hope's Voice earned a penny every time you searched the Internet? Well, now we can!

GoodSearch.com is a new search engine that donates half its revenue, about a penny per search, to the charities its users designate. You use it just as you would any search engine.

Just go to www.goodsearch.com and be sure to enter Hope's Voice as the charity you want to support. We have included the link below to download the GoodSearch toolbar and we encourage you to make GoodSearch your homepage. Just 500 of us searching four times a day will raise about \$7,300 in a year without anyone spending a dime! You can make a difference everyday in the fight against HIV and AIDS. Please send this on to family, friends and colleagues and help us spread the word!

* **Download the GoodSearch toolbar at <http://www.goodsearch.com/toolbars.aspx>**

- Wedding Bells are Ringing

Hope's Voice speaker William Brawner will be marrying his beautiful bride Bridgette Carter in Philadelphia. The entire Hope's Voice family sends our love to both the bride and groom on their special day!

- Hope's Voice on Myspace

Hope's Voice has created our own Myspace page! The page features blogs from speakers, behind-the-scene pictures from events and several videos produced by Hope's Voice. Join today and help spread the word. The friends of Myspace include speakers, staff and supporters from around the world. Leave your comment today on what you would say to young people to help fight HIV and AIDS!
